2016/17 Summer Yard Storage **Agreements expire on 30th April 2017**

Current Summer Storage Members that are not applying for Winter Storage are being asked to remove their crafts, masts & sails from the club by Sunday 30th April.

Members are asked to understand that another craft may be allocated to their current location for the winter, so it is imperative for a smooth transition that outgoing craft do not delay their removal.

Application for 2016/17 Winter Yard Storage are now open

A version of the application form which allows for direct editing is attached to the enews or can be accessed by emailed a request to membership@sbsc.net.au. or a printable copy is available on the website: <http://sbsc.net.au/yard-storage/>

Once again the applications will be assessed by the Committee and approved applicants will receive an invoice which will require settlement prior to a space allocation by the Yardmaster.

Please note: All craft must be insured with valid third-party liability insurance. Applications will not be accepted without this insurance.
