Commodore - Stephen Richardson

Letter from the Commodore

A warm welcome to all members.

Another great Sunday morning at the club. The yard was packed with eager juniors with full bellies thanks to our junior training squad for whipping up a fantastic cooked breakfast for the kids before training. Well done !

The weather could not have been better for the afternoon's racing. It was also fantastic to see so many OTB sailors back up stairs at the club after sailing for presentation and talk about the days racing. A little disappointing that not many keelboat crews came back to the club - it is important to support not just your club but the sponsors for each series.

Another gentle reminder to limit as much traffic and washing down on the grass area as much as possible, it is showing signs of new growth. If we could also please use the outside shower to wash sand of feet and wetsuits this will greatly help with the sand in the showers clogging the drains.

We had another great keelboat fleet out last Friday night with 28 yachts for the twilight series and I invite all new members and OTB sailors to jump on board a keelboat and get into some great racing, then back to the club for a fantastic evening with great food and also this Friday live music. Just register on the crew list on the SBSC website.

Another two new member signed up on Sunday with one new addition to the keelboat fleet. This is an increase of 20% on last years membership figures. This an amazing result and every member should pat yourselves on the back because it is the atmosphere that you create that entices new members to enjoy what SBSC has to offer.

See you at the club,

Stephen

Keelboat & Trailable News

Chippa's Chirp...

Friday Twilight was champagne sailing night with a light northerly breeze which saw 29 yachts out, awesome to see! The wind came in time to get most of the fleet home before sunset except two. The gridders were Necessit'e 1st those new sails paid off, Smooth Operator 2nd and Shimmer 3rd.

The weather on Sunday was also a nice warm day and plenty of breeze with a 15-25 knot northerly. This saw 9 boats come out to play in our 2nd heat of the Ensign Club Champs Series were rewarded to a cracker day out on the water.

With the new "on water start" and short beat set (thanks to Geoff, Sandy and Team) NNW predicted to be constant most of the afternoon a larger course was chosen.

First short beat to inflatable was a close affair again with Wild Goats getting the early jump over Midnight and then Joker.

Off to 25 saw a two sail reach, Razor the quickest in the passing lane, Midnight getting over Goats eventually, and Joker and L'etoile locked together. The next leg down to that allusive Pier mark, saw the kites fly and yachts take off, what a ride... Razor and Midnight doing better, L'etoile had a few wally roundups on the set but soon sorted it out. Around pier and back to 25 front runners stayed the same but 2Xtreme and Rogue moved up a few places, with the wind increasing over 20 knots the reach back to Pier again saw a cracker pace set with forward hands having a great work out.

Heading for home hard on the breeze was Razor, Midnight, Goats, 2Xtreme, Joker and L'etoile close enough to take out handicap honours well done. (Thanks to TT crew Roy, Alan, Judy)

For those who like me that vision is failing them, in a few weeks our new large inflatable turning mark arrives thanks to **Ensign Yacht Brokers it will be then referred to as the 'Ensign Mark'**.

Good luck to those SBSC yachts doing the Stanley Race we will watch your AIS trackers.

See u on the water

Cheers Chippa – Club Captain

- ◆ **PLEASE URGENT** we still have some yachts **HAVE NOT** submitted Safety Declarations & Insurance Cover (on SBSC webpage under Race Documents) **From this Friday you won't receive any points !!** If you haven't please hand them to Gareth or myself or email to secretary@sbsc.net.au **JUST DO IT !**
- ◆ **RMYS are running a race to SBSC / Martha Cove Saturday 25th of November & staying over for Dinner at the club anyone interested in participating let me know or visit RMYS website.**
- ◆ **I like to know if there is any interest from the fleet for long destination races staying overnight. Your feedback is important please come see me or drop me an email keelboat@sbsc.net.au**

Keelboat Instructors Wanted!

We are looking for **two members to be qualified as Keelboat Sailing Instructors.** Once qualified you will need to be available to run Learn to Sail Courses as organised by the club. These courses will be offered at standard rates and therefore instructors will be paid to deliver these courses at around \$25/ hour. **The instructor course is on the 25th and 26th of Nov.** The club will pay for the course, you will require a WWC card and a first aid certificate 1 & 2. If you are interested please discuss with **Ewan 0427 984 767 or training@sbsc.net.au**

OTB Report—Junior Program

ATTENTION ALL JUNIORS!

A big thank-you to everyone who came down on Sunday morning to kick off the start of junior sailing program for the season. It was a fantastic turn out and we look forward to seeing you all **this Sunday morning where we are kicking off our triangle series**. We will have a **briefing at 9:30am** so you can all be ready out on the water for a 10:00 start.

We look forward to seeing you out on the water.

Thanks,

See You Sunday!

Grace, Natasha, Ciaran & Nick

SBSC Prog-Roster 2017 New Roster

Not too many changes, but a few required due to emails & phone calls since the 1st posting. Let me know if you are a sailor & you are rostered more than twice. Thanks to all that have volunteered for many.

<http://sbsc.net.au/roster/>

Wind from the Rear!!!

From all reports, the first week of the Junior Program was a raging success. Thanks to Natasha, Ciaran, Grace and all others for the leadership in this program. I arrived at the club at 12:00 and they were just finishing up and I was approached by two separate parents singing the praises of our younger set. Well done guys it is the future of our club and much appreciated.

This week was meant to be my first week on water with the B14. Sadly not finished painting yet but Ewan kindly offered me the use of his. First week of the OTB Club Championships was greeted with superb conditions for the experienced sailor's 15-20 knot winds from the NW. Note I said experienced! Hence Ewan's B14 stayed on shore and I was once again relegated to one of the club Quests. This blessing in disguise allowed me to sail with my daughter and we were joined by one of our newest members who left his H16 secured in the yard. The three regular "Wonder Jnr's" Orlando, Mischa and Pat were inspired by my actions and teamed up together in the other club Quest to give us a real run for our money. It was awesome to see the three of them reveling in the conditions secure in the fact that they were together. There were smiles all round, and competitive amongst the Sabre fleet they even used the Spinnaker on a couple of legs.

I watched the Keelboats take off to a flying start at 13:30 from the beach and quickly disappear in the direction of Mt Martha. Later it was an amazing site to see them at full flight return to the Club finish through the OTB fleet later in the day. Well done to both classes for giving each other room and respect.

OTB racing was filled with drama. I took a couple of swims, as did Mono and his "heavy weight" crew for the day Bianca. There was a Sabre with a mast down on the way out to the start (Bill ???). "Tony Taipan the Brave" as always provided the Sharks of "Shark Bay" something to chase as he took a couple of swims also. The Sharpie was uncatchable in these windy conditions, and was first across the line in both races. The always supported "Sabre fleet" had a real battle at the front end between Rick, Bill and Fiona, and one member who should remain nameless, Katrina, decided she should have a little rest on shore midway through race 2 ???

The Start boat crew of Geoff, Sandy and the acrobatic (on station flag hoister) Rob Fleming, did a sterling job all day. The boat was rocking, but Geoff's experience and judgment of the conditions gave us the best racing of the season thus far. I didn't get to catch up with Woodsy, to see how he survived the ordeal, but I did see that Anton was keeping a close eye on him. Stuart Scott put his hand up this week and the next few for duty, while he's awaiting delivery of his new Flying machine from Poland. A little birdy told me, it's lucky the A-class doesn't require an anchor, otherwise it could be an expensive weekly hobby. Great to see Mark and Di back around the club, somebody in the off season must have removed the "power" of the name of Mark's boat, as he was not too keen to get out amongst it. I suppose he can be forgiven at he hasn't experienced water temps under 30 deg for 6 months.

Thanks to all that volunteer both on water and in the tower, week in week out, and for those that just step in as required. Heaps of new faces around the rigging yard, go up and introduce yourselves and make them feel welcome, because that's really what our club is all about.

Til next week...

Cheers Glenn

As you may know I was a Sabre sailor till recently and sold the boat to a friend who lives in Seaview Ave, Safety Beach. This friend, Michael Moore has now decided to move house and does not want the boat after all so it is '**on the market**' and he has asked me to see if I could assist selling it. **The boat was Tom McCulloch's original wooden boat which he sailed in Nationals with some good wins.** He sold it to me about 5 years ago and he and Fiona taught me how to sail and I had a few good seasons. I sold the boat as I found the sailing too arduous for an 'oldie' like me and Michael Moore took it on at a knockdown price of \$1000. **The boat is in good nick freshly painted and repaired and comes with a dolly and fully registered trailer. There are 2 sails and a lifejacket will be thrown in also.**

The boat would suit a young Sabre learner and be an excellent starter boat for a keen young professional. You may know if anyone is interested and the photo gives an idea of the boat. **Asking price \$1000** which is excellent value especially with a registered trailer.

Let me know if there would be anyone interested.

Best regards

Robin Owen

Race 2 On Water Start

Start Time 13.30Hrs

On Tower Duty

R.O. David Donaldson and the crew from Renaissance.

Tower officers need to be in the tower at 12.30Hrs, 1Hr before the race start at 13.30Hrs

Race Officer and Race Information is contained in the manual at the computer in the tower.

Please read carefully.

FOLLOWING IS A VERY IMPORTANT NOTE TO ALL SKIPPERS.

As all skippers are aware, as detailed in last week's Keel Boat News, the Yachting Australia and SBSC mandatory requirement for submission of the:

- ◆ Cat 5 Special Regulations Equipment Audit Form
- ◆ Insurance documents (which must include racing cover)

that the date for submission has passed and the Keel Boat Racing Committee has issued the following statement.

1. If you are **NOT** on the list of boats who have submitted these forms, or have not sent your documents or believe you have sent your documents and they are not recorded, please send them to the secretary@sbsc.net.au
2. The SBSC Sailing Instructions, issued on April 1, contain complete requirements for Keel Boat Safety Categories. **Item 2 Safety: 2.1, 2.2, 2.3.**
3. A list of boat owners who have complied with the deadline of the 31st October is included with this Keel Boat News. An updated list will be provided to the tower by Friday 3rd November. This is the first race that a penalty will be applied.

All boats not on this updated list who race on Friday 3rd Nov, will be recorded as 'not racing' and will not have points allocated!

NEWS FLASH FROM THE MORNINGTON YACHT CLUB

The Mornington Yacht Club have invited us to join with them to sail the first long distance race on **Cup Weekend**. As we do not have a Cup Weekend social sail, this would be a great opportunity to join with Mornington Yacht Club.
