Commodore - Stephen Richardson

### Letter from the Commodore

Hello Members

Well what a terrible weekend for sailing torrential rain with strong winds made it impossible for junior sailing Sunday morning with finally the abandonment of all OTB sailing in the afternoon due to the horrific conditions.

We did get a few diehard keelboats out which was great to see although seeing them did prove difficult as they disappeared into the rain band on their way to the first mark at 19.

Lets hope for better weather this weekend with an early start time for the keelboats this Sunday and hopefully an increase in juniors on Sunday morning.

On the social scene please contact Rosemary on 0414 396 357 to RSVP for the upcoming New members breakfast at 9.30am this Sunday morning at the club. It is important to get numbers by Friday at the latest.

**THIS IS A FREE BREAKFAST FOR ALL MEMBERS.**

Sail Peninsula is now open for registration. At present the numbers are disappointing from the keelboat members. Can you please get behind this regatta and get your early bird entry in ASAP. As an added bonus I have secured for one member a free Hamilton Island race week experience on a Bavaria yacht so get in and get a chance to be part of the SBSC contingent heading North for this great event.

I would like to thanks the majority of members that have renewed their membership it is great to see an increase of approximately 50 new members to the club for this season.

See you at the Club

**Stephen**

## Keelboat & Trailable News

### Chippa's Chirp...

Friday Twilight H8 Sports Phillip Marine Series, we also had BUMS on BOATS night with only a few customers as the forecast of extreme weather had all concerned if sailing was going to be on. My phone was running hot keeping, one eye on the radar and one looking out the window seeing little lightening but lots of rain, the show went on! RO Di Jackson and duty boat Wingara decided on course 3 which proved to be a winner, once we all sorted out the start direction (me included so it pays to print off new course sheet each season!) the course was very tactical staying in pressure at the pier mark, good work Tower Team.

Grinners 😊 were – **Garisenda 1<sup>st</sup> Balance 2<sup>nd</sup> & Smooth Operator 3<sup>rd</sup>**

Sunday Hidden Harbour Heat 4, with rain and wind a plenty, most of the fleet chose to stay in bed or go to the wineries for luncheons. For the diehard sailors or bloody idiots! the show went on with a strong wind warning. OTB was cancelled therefore keelboats reverted to a tower start and for a change, course 26 was chosen by Roy and duty boat Anthea.

The start and short run to red pile saw Joker edge out Midnight and L'etoile then a long beat out to 19, the rain and wind squalls saw gusts around 30 knots and heavy rain was hard to see 50 metres in front, the chart plotter certainly came in handy in finding 19.

At 19 it was Midnight with Joker, L'etoile and then La Mer, a run down to 25 saw only Joker cracking an ASSY which made some ground but not enough to peg back Midnight at 25. Positions stayed unchanged as a two sail fast reach was required back to red pile and then onto the finish.

A hot shower and red wine was very much enjoyed later. 😊

We were all Grinners 😊 on handicap this week, Well Done!

## Info from Vice .....

Dear Members

I would like to introduce a new club sponsor.

**Doug from Pest Brigade.**

**0406 533 345**

Doug has offered his services at no cost to Safety Beach Sailing Club. His service includes providing and maintaining rodent baits strategically placed around the perimeter of the building. Don't worry parents and dog owners. They are kiddie and dog proof. He will also keep an eye out for any other unwanted creepy crawlies and deal with them. In a humane way of course.

As part of his commitment to the club, he has also **offered all members a 10% discount** on any pest control he carries out on your property.

In return we will display Pest Brigade signage on the rigging yard fence, and display his logo on SBSC sponsors page, and E-News. Please say thanks to Doug by utilising his services.

To help maximise Doug's services he suggests we clear all foliage at least 500mm from the building. We also need to fill in the gaps under the kiosk roller doors. If any member is available to carry out either job — please contact me on 0467 000 442.

As Steve briefly mentioned in last weeks E-News, the committee is looking at building a deck area inside the rigging yard complete with BBQ and seating. Also on our agenda, to compliment the new concrete area by **filling in (screening around)** the water tank with merbau decking or similar, and to build a seating area along the water tank wall and Northern end of the building under the deck. It's all part of beautifying and making the club a place to socialise, not just on sailing days.

To make the above happen, I would appreciate members with the required skills, and those who don't mind being told what to do, to contact me to enable us to start planning. All involved will be on the same remuneration package as the Flag Officers and Committee members.

**Rossco**
