Commodore - Stephen Richardson

Letter from the Commodore

A warm welcome to all members.

It was great to be at the club early Sunday morning and to see so much hype and activity in the yard from juniors and seniors rigging up and getting ready for the first club race for the season in bright sunshine and a moderate breeze.

It was awesome to see Mono (Andrew Martin) giving his daughter Aurelia her first solo sailing experience. It is was obvious to all that Aurelia has inherited her fathers passion for sailing.

We are in the process of rejuvenating the two grass areas in the yard, could we please try to minimise washing down on these areas to give it the best chance to kick off over Spring. It will put a smile on Ross's face.

A special thank you to Ewan and Andrew for their outstanding concrete work. This has extended the area under the deck to the tank and Ross has plans to build a merbau screen around the tank with seating and hooks on the wall. This will be a great BBQ area in the summer for members.

Five new members signed up over the weekend and I hope they will make use of the new members table Friday night. Can members at the club Friday night please introduce yourself and make them feel welcome.

A reminder to members that the keelboat twilight series has commenced so it is a great atmosphere back at the Club after racing with time to catch up and discuss the race over a meal and a wine. All OTB sailors if you want to race on Friday please put your name down on the crew register on the SBSC website there are keelboat skippers always glad to have you on board.

And the best news this week is that Nick Richardson sold his contender !!

See you at the club,

Stephen

Chippa's Chirp...

What great weather it was for Friday Twilight but that's where it ended with a drying breeze and short time sunset saw no one make the sunset deadline.

What a cracker the weather was on Sunday in 10 knots this saw 10 boats out to compete in our first heat of the Ensign Club champs. The new course was set-up for an on water start and short beat, with breeze starting W then SW and predicted to shift further SE, course choice was hard but we settled on Course 7 with set line. It was a competitive start with the fleet spread down the line.

So we must have got it right team (with Jokers on duty, many thanks to Glen, Sandy, Rob & Gracie).

1st short beat to inflatable was pretty even on both sides of course Midnight getting there first very closely followed by Balance, tight reach down to R1 saw Wild Goats and Extreme crack their code 0s. At R1 it was Midnight, Balance, Razor and Goats.

The next leg out to 25 saw it a nice beat in 10 – 15knots, and forward hands getting excited for the reach back to pier mark. Midnight went for the kite but was short lived with the breeze dropping out and swinging SE so yes another beat! putting the forward hands out of a job again. Balance made the most of it and gained the lead by pier mark by going east to shore (where the OTB were enjoying 10-15 off shore by now) next was Razor and Midnight with another tight reach back to yellow pile. Razor went for the screecher kite and it was on for the battle of the Bulka's with maturity prevailing by only 19secs for line honours at finish, then Midnight and Goats etc.

(Thanks to TT crew Roy , Alan, and Joker crew)

**RMYS are running a race to SBSC / Martha Cove
Saturday 25th of November
& staying over for Dinner at the club

Please do so this week !

Keelboat Instructors Wanted!

We are looking for **two members to be qualified as Keelboat Sailing Instructors**. Once qualified you will need to be available to run Learn to Sail Courses as organised by the club. These courses will be offered at standard rates and therefore instructors will be paid to deliver these courses at around \$25/ hour.

The instructor course is on the 25th and 26th of November.

The club will pay for the course, you will require a WWC card and a first aid certificate 1 & 2.

If you are interested please discuss with

Ewan 0427 984 767 or training@sbsc.net.au

Wind from the Rear!!!

Well what a week it was! SBSC was bathed in sunshine with a forecast breeze of 10-15Kts from the west. Ambition was once again over staged by Mother Nature's reality. The Keelboats experienced their first "on wind/water" start for the season in 8-10kts from the forecasted direction. Clear start, and off to their first turn mark to windward prior to swinging starboard to their allotted course out to R1. It was an awesome site to see all the "big Boys" racked up along the line and then "work" their way windward.

A half an hour later using the same start line, the OTB guys also headed out in the same direction. The excitement was short lived with the wind dying out to nothing prior to anyone completing the first lap. 

I was left with no choice but to abandon the 1st race. No wind, and checking the other points around the bay (South channel 10-15 kts WSW and Falkner the same) left me pulling what little hair I have left out. Thankfully with the support of my able crew Sandy and Diedra onboard the start boat they settled me down just in time to see the wind filling in 180 deg in the opposite direction east. Onto the radio and Rob and Jackson on "Sutherland" leapt into action setting the new windward marks. Meanwhile our new Keelboat Captain "Chippa" (helping us out for the day) and Grace sped off in the other direction in Woodsy to set my pin and the wing mark. I was not aware "Woodsy" could go that quick, it will be back in safe hands next week when Ian returns. Great work team!!

New course set, race restarted with boats enjoying champagne conditions, great wind/flat water. The wind shifted again 40 deg and the course was reset for the final race. A short sprint affair with some of our competitors (Patrick) confusing an AP  with an H  and heading back to the club and missing out.

I will be testing him on his flags, but do forgive him as he was the youngest solo sailor out there. Speaking of youngsters, a little birdy told me that our inform Jnr Sailor (Commodore Cup winner Mischa) may be in for more silverware in the coming weeks. Keep it up Mish but watch your back as a certain Aurelia Martin was seen out and about in a minnow last week as well, now that's what I call AWESOME!

That reminds me, each Sunday after sailing (when our weary duty people are back from putting the patrol boats away) (Oh and don't be afraid to offer them a drink!) and the keelboaters have tucked their loved ones away safely out the back. We will be having a presentation of results and a recap of the day's mishaps and events. I encourage all members to mix, chat and enjoy the facilities together as one. It doesn't matter what craft you sailed that day, we were all out doing what we love. Oh! Another rule I'm going to evoke, is if you are not at the club to "personally" collect your prize or "Booty" on Sunday arvo, then it goes to the next placed competitor in attendance.

Seriously, we are off to one of the best starts to the Season in a long time, the "vibe" around the club is great, the weather has been "sorta kind" and David has been keeping the beer cold. Thanks to those that attended the OTB RO meeting on Sunday and I've taken all suggestions on board, and will be implementing them in the coming weeks. I will keep you posted via the "WIND".

Ewan and the Keen Jnr Trainers are kicking off our Sunday program this week with a "Discover Sailing Day" I'd encourage all to get down a bit earlier to lend a hand. That's all from the Rear this week, hoping my new boat will be ready for next week, if not I'll dust of the Hobie and get out amongst it.

Cheers Glenn

As you may know I was a Sabre sailor till recently and sold the boat to a friend who lives in Seaview Ave, Safety Beach. This friend, Michael Moore has now decided to move house and does not want the boat after all so it is '**on the market**' and he has asked me to see if I could assist selling it. **The boat was Tom McCulloch's original wooden boat which he sailed in Nationals with some good wins.** He sold it to me about 5 years ago and he and Fiona taught me how to sail and I had a few good seasons. I sold the boat as I found the sailing too arduous for an 'oldie' like me and Michael Moore took it on at a knockdown price of \$1000. **The boat is in good nick freshly painted and repaired and comes with a dolly and fully registered trailer. There are 2 sails and a lifejacket will be thrown in also.**

The boat would suit a young Sabre learner and be an excellent starter boat for a keen young professional.

You may know if anyone is interested and the photo gives an idea of the boat. **Asking price \$1000** which is excellent value especially with a registered trailer.

Let me know if there would be anyone interested.
Best regards

From the Waszp Hive

Leigh and I kicked off our season last weekend by travelling to Wangi Wangi NSW for a 3 day training camp and a 2 day NSW State Titles Regatta. Six boats from Victoria made the journey up to join the fourteen boat strong fleet.

Tom Brewer from NB Sports organised the training camp with Laser Gold Medallist Tom Burton and Moth World Champion Josh McKnight as our coaches. Our training days involved a mixture of on water drills and short course racing with the coaches following close behind in ribs for one on one training. One thing I can say is you work pretty hard to sail your best when you have Tom and Josh following you! This was one of the best learning experiences I have ever been involved with as well as heaps of fun. The NSW States were sailed over two days.

Day 1 Leigh jumped out of the blocks very well sailing smart in the 8 to 15kts shifty conditions with a 3rd, 1st and 5th. I managed a 5th in the first race, but unfortunately followed with two retirements.

On day 2, I managed to reel in some lost ground in a steady but fading breeze with a 2nd, 2nd and 6th. However, Leigh was far too strong and rose to the top, sailing exceptional well with a 5th, 1st and 3rd, taking out the regatta on count back with Tom Brewer (NSW).

The Waszp Sailing Association of Australia conducted its inaugural meeting after sailing on day 1 electing its first Committee. Myself and Leigh have taken roles on the Committee as President and Secretary to help lay the foundations for the future success of the class.

It is very exciting times in the Waszp fleet around the Australia and the World. Momentum is growing fast and we have some great regattas to look forward to with the Australian Titles being held in Sorrento January 2018, Pacific Waszp Games in New Zealand March 2018 and World Waszp Games in Perth January 2019. The goal is to have 150 boats in Perth which will make for some spectacular racing.

Leigh and I would like to extend the invitation everyone who wants to have a go at sailing a Waszp, please approach us at the club, all we need is a rib on the water. Alternatively you can contact Waszp directly to arrange a Demo sail via www.waszp.com

Check out some video footage from our training camp on the links below:

Thanks
Paul

OTB Report—Junior Program

Hi all,

Just a quick little note about the happenings of the Junior Program for this season. As it stands, we plan to alternate 4 sessions each week. These sessions will run as follows

- Week 1** Coaching/training session with breakfast at the club and the session run by a senior sailor of the club
- Week 2** Racing on a triangle course
- Week 3** Teams racing using the new rs quests
- Week 4** Racing on a trapezoid course

Sessions will be inclusive to all junior and senior sailors who are looking for some extra on water practice and coaching, and to try out some alternate means of racing.

As well as on water activities, we are also organising to bring back the junior sleepover and Sunday afternoon sausage sizzle.

Sunday morning sailing starts this Sunday 22nd with Discover Sailing, so make sure we are all down there showing off the best of the best of Safety Beach, and the **Junior Program will be in full swing on Sunday 29th October**, beginning with the coaching/training session and breakfast.

Cheers,

Grace, Natasha, Ciaran & Nick

Discover Sailing Day THIS SUNDAY 22nd October, volunteers needed

We will be hosting a DSD **this Sunday from 9am till 12pm**. We have already had some registrations through the discover sailing website so we need some volunteers to rig up early and take some people sailing. **Please register with Ewan if you can help out.**

Sail Training

We have an **adults/teens learn to sail course starting on the 28th of October** as well as a Tackers course on the same day. You can **register through the links on the "Learn to Sail" tab on the club's website** but existing members wanting to register their kids for Tackers should contact Ewan at training@sbsc.net.au for the special club member's link (much cheaper!)

Cheers,

Ewan

Next Week's Races

Twilight Series

Friday 20th October 2017

Sport Phillip Marine Pursuit Series 1

Race 3

Start Time: 17.30Hrs

On Tower Duty

R.O. Ross Martin and 3 crew from the duty boat, D'etente.

Tower Officers need to be in the tower at 16.30Hrs, 1Hr before the race start at 17.30Hrs.

Summer Series

Sunday 22nd October 2017

Hidden Harbour Summer Series 1

Race 1

Start Time 13.30Hrs

NOTE This is an on water start as per Amendment 7.1. Normal tower logging on procedures apply.

On Tower Duty

R.O. Andrew Clark and 2 crew from the duty boat, 2Xtreme.

Tower Officers need to be in the tower at 12.30Hrs, 1Hr before the start of the race at 13.30Hrs.

The Race Officer information is in the black folders at the computer in the tower. Please read carefully.

IMPORTANT NOTICE FOR ALL KEELBOAT SKIPPERS

At the beginning of each racing season all keelboat skippers have the responsibility to submit to the club an up to date YA Special Regulations Equipment Audit Form.

This is a mandatory requirement for all boats racing at SBSC.

The date for submission of this document has passed and the response has been poor.

Insurance

A second mandatory requirement is the submission of the insurance documents for each boat.

Without a current insurance document the boat cannot race (a YA mandatory requirement).

Make sure your boat is covered for racing.

If the forms are not submitted you will be ineligible to race.

The forms are available [online at the SBSC website](http://www.sbsc.net.au)

Please send these forms **DIRECT** by email to secretary@sbsc.net.au
