Commodore - Stephen Richardson

RACE 4
PHD

Letter from the Commodore

A warm welcome to all members and to four new members that I was pleased to meet over the weekend, welcome to Peter and Abby , and also Andrew and Allison.

I would like to take this opportunity to remind members that
Opening Day is this coming Sunday 8th of October

PROGRAM

10:00am	Briefing & Sailing Instructions
11:00am	SBSC Racing Junior Gold Cup Keel Boat Gold Cup Commodores Cup Gold Cup OTB
2:30pm	Official Welcome by MC Ross Martin

Speeches led by the Commodore Stephen Richardson & Vice Commodore Ross Martin

3:30pm	Presentation of Trophies
4:00pm	Tea & Live Music

Sailing instructions for the Commodore Cup are on our website and a reminder to keelboat skippers that OTB will also be on the water so care must be taken.

Please note there will be a traffic disruption on Sunday due to the north bound lane being closed to traffic from 8:00am until 4:00pm so it would pay to be early.

As of this Friday there will be a reserved dedicated table available on Friday nights for new members. I would ask members and committee members to introduce yourself to any new member at the table and make them feel welcome to our Club. We now have a dedicated SBSC Eftpos machine at the bar so members can now pay their membership or club apparel at the club. Please remember to renew your membership.

See you at the club,

Stephen

Keelboat & Trailable News

Race crew this week had a few issues to overcome with Sandy during the week breaking his hand and then the mark laying boat overheating or was it someone forgot the bung? Rosco? So with a black hawk going down, Rosco jumped ship onto 2extreme. Start boat 1 with thanks to Geoff and Fiona proceed to set up and use shipping mark 25 as the top mark (smart thinking team) and Alan and Roy back up in tower. We thank you once again.

With the sun out 8 yachts finally got started in a nice 10 – 15 knots with some lamblots in the paddock (small white caps)...

Some rain was brewing on the left, Joker went for the pin and others evenly spread down the line, that rain did bring some more wind and slight shift. Joker, Gadget and Garisenda looked really good for a while but as it passed, breeze shifted back, with a long port tack out to top mark, saw Midnight in the lead as expected but Rogue not far behind.

The run saw all the fleet crack kites and the big movers were 2extreme and Calypso. 2nd work and run, wind continued left but with pressure dropping and large chop didn't make good ingredients for us fat heavier yachts with dirty hulls, this saw 2extreme and Calypso in their elements and closed in on front runners in Midnight, Rogue and Razor.

Last work saw a similar wind pattern clocking more left allowing most yachts to lay it on one tack. Then a rain and wind squall of 20 knots at the top mark made great viewing for us still on the wind, as front runners were setting kites, with Midnight and Calypso wiping out - but Calypso the clear winner getting a 10 out 10 score card.

Well done to PHD results – 2extreme 1st, The Gadget 2nd Rogue 3rd
And AMS - 2extreme 1st, The Gadget 2nd, Calypso 3rd

That concluded the Spring Series and a big thanks to Ensign for picking up the sponsorship.

Thanks for all that attended the skippers and crew meeting Sunday morning, I hope it was informative and everyone is as excited as myself for this Summer Series.

Also, thanks for all the other suggestions we will endeavour to do our best to implement as many as we can.

See u on the water....

Cheers Chippa – Club Captain

Wind From the Rear!!!

Welcome all, to the start of another exciting year of sailing at Safety Beach Sailing Club. The season "True" kicks off this weekend 8th October with our normal opening day festivities. Take some time to review the special Sailing instructions as the Keel boats and OTB will be sailing together and finishing at the tower in front of the club. 1st warning for the Keelboats will be 1055hrs followed by the OTB's at 1110hrs. [Opening Day Si's](#) .

The Keelboats have enjoyed a great winter and Spring series, and as trialed in the Spring series are progressing to "On water Starts" for their Sunday racing. This year's Keel Boat Captain is Grant Chipperfield, and I thank him in advance for his proactive attitude in progressing the standard of racing to be enjoyed by all in our KB fraternity. The new changes have been posted on the website and communicated in last Sundays "Skipper and Crews" meeting.

The KB on water starts will require the Rostered OTB people to set a line for the KB's out in front of the club with a windward turn buoy approximately 0.5-1.0 Nm from the line. This will happen prior to the afternoon OTB sailing session. To explain these changes and more, I would like all available RO's and duty personnel to attend a briefing at 10:00hrs at the Club on the 15th Oct. We will go through upgrades to the club boats, launching and pack up requirements/reporting etc. We will also outline procedures for the on water starts, race recording and course laying. We have the best equipment available for our use that we have ever had, and I'd love to keep it that way.

Posted is the OTB roster for this year ([Website link](#)), and as you can see we have a busy year ahead with the Sabre State titles in Feb along with our regular inter club regattas with Mt Martha. The Club Championship has, as always been spread out over the whole season, but we have consolidated the others into 3 main series. 1- (OTB Lions Club Red Dolphin Series) up to the end of 2017, 2- (OTB Sport Phillip Foundation Series) January 2018 and 3- (OTB Bendigo Bank Dromana Series) remainder of 2018 season. We hope that this will encourage active participation throughout the whole season. Bill Manning has kindly taken up the mantle as OTB Club Captain this year and will have a busy year with the organizing committee for the Sabres.

Training wise, Ewan has some great things install for all members both Adult, KB and OTB Jnrs, I'll let him report when we get closer to roll out. The exciting news is that we have had some great enthusiasm from some of our "Older Jnrs" to be involved in these programs. They have met a couple of times already!!!

Due to popular demand you are reading this again in a regular E-news mail out, but I encourage all sailing members to activate "Team App" on their devices, as this is a really quick, effective and easy way to communicate last minute changes to the on water activities [SBSC Team App instructions](#). Changes to sailing Instructions, (cancelled racing due to bad weather) and Duty availability will all posted on Team App. If you are unable to attend for your rostered duty for any reason, this will be an easy way for people to arrange for "Swap's". My preference is to post the request early, and if there is no reply than email me at rcommodore@sbsc.net.au or call 0408 327 243.

I'm really excited for the year ahead on water, we have positive crew leading it up and with the changes to our race starts for the KB's we will see a closer interaction between the OTB and KB sailors alike. Our hope is to get all Sailors back to the club on a Sunday afternoon for presentation of both fleets days' sailing, and a drink and a chat between all. OTB guys remember that the KB's are always looking for crew on Friday nights. The integration of both forms of sailing at our club, is the key to our success, myself as Rear Commodore is fully committed to ensuring this happens.

I'm thankfully supported by great Captains and a General committee that share this passion.

Here's to a successful season, fair and safe sailing.

Cheers Glenn
