IMPORTANT RACE INFORMATION REGARDING COURSE MARK R1.

During the recent storms the **R1** Course Mark was lost and will not be replaced by Parks Victoria for some time.

The fleet was notified of this during the race and all boats using GPS and observations completed the race without difficulty.

The Race Results will stand.

We are unsure how long before it will be replaced by Parks, therefore until it is, alternative courses without R1 will be used. So until the Mark is replaced the Race Courses using **R1** cannot be used. This restricts choices and course selection by Race Management. Consequently, the Course chosen on any given day may not be the best one for wind conditions.

That's Racing!!

Note from Rod Smallman.

I have 2 boat cushions that I need dropped off to Pittwater for when my boat comes back. I'm hoping that they can get dropped off if anyone is heading north for hammo and is planning to stop off at Pittwater on the way up.

My mobile is 0418 535 161.

Many thanks, Rod.

Rod has sent information about the ORCV which may be of interest to skippers.
