CLUB CAPTAIN'S COMMENTS.

Skippers and crew,
Last Sunday saw a brisk 25-30 knots for our BMWS heat.

A bit of choppy wave action as it was from the North, and a cool 10 degrees.

We had 14 boats competing in pretty uncomfortable conditions but the saving grace was the nice 3 NM downwind leg. This allowed a bit of wave surfing action which was fun.

Unfortunately we were unable to do the winners presentation due to some other functions at the club at the same time. Special congrats to Ian Pearse for a well deserved win on L 'etoile, nice bit of sailing. Your prize bottle of Red will be waiting at the bar after the next race. See you out there Sunday week.

NOTE: The new tower Start/Finish line camera is now installed and we are just getting it fine tuned, ready for our racing program.

Viewing of the new camera in action can be arranged upon request, all very exciting 🦋
