SPRING SERIES Race 2. Last Week's Race Results. Sunday 17th Sept 2017.

Congratulations to the winners:

PHD	AMS
1st Razors Edge	1st Calypso
2nd Calypso	2nd The Gadget
3rd After Midnight	3rd Rogue

Thanks to the on water race management crew for a great race with R.O. Geoff Eldridge and Assistant R.O. Sandy McPherson.

The next race is on: Sunday 24th September. Spring Series Race 3 (windward and return), on water start and finish. Start time is 10.00Hrs.

R.O. is Ross Martin with Sandy McPherson assisting. (All boats to log on via the Start Boat).

The tower will be manned from 9.00Hrs.

IMPORTANT NOTICE.

**The Summer Series of racing starts on
Friday 6th October for the Twilight Series.
Sunday 8th October for the Sunday Series.**

All competitors need to make sure you are listed on the Start Sheet to have your results processed on completion of the race, and included in the Series Results.

**NOTE: A new Keel Boat Programme and
Roster for the Summer Series will be
published prior to the start of the season.**

Chippas Chirp

What a great spring day Sunday race was sun was out and again 8 boats that ventured out enjoyed the on water start and again nicely set course thanks to Geoff, Glen, Ross, Sandy, Rob and Roy back up in tower.

We started in 12 knots and the starters took my advice from last week and set a slightly favoured pin (keeping most of the fleet away from the boat end), with fleet splitting left and right front runners finding some breeze in the middle to left side on first work it was expected After Midnight jump out front with Rouge and Garisenda, the run saw Calypso and Razor edge get back in the game while yours truly bring up the rear ☺

Calypso did the better and got back into the top 3 on the second beat saw midnight clear out and Calypso and Razor at the Top, wind really dropping out now to 5 knots gave Razor a nice advantage moving into second, last work saw sometimes less than 5 knots.

Joker moved out of the wooden spoon with the help from the Code 0 and some more breeze on Left side of course, Gadget having trouble getting steering and doing circles in about 3 knots at top mark , by then the front runners were almost finishing.

Well done to PHD results – Razor edge 1st, Calypso 2nd After Midnight 3rd

Next week hope to see a few more out, spread the news and break out those shorts! it will be over 20 degrees ☺ !! and as Glen, Ross, Geoff, Sandy, Rob and the

team said they had so much fun they committed to running the rest of the series (thank you)

So If rostered on for the spring series you can now just come racing 😊

Few other up and coming Dates to save

- **1st October (last spring race) is a later start at 1pm but we are having a skippers and crew meeting at the Club at 10 am so please come along I have a few exciting changes to this summer racing and welcome any suggestions.**
- **Safety declarations and insurance cover copy to be submitted by email to Secretary - SBSC Secretary@sbsc.net.au by 1st October please.**
- **First twilight race starting October 6th and opening day on Sunday 8th**
- **First summer series race Club champ race Sunday 15th**

See u on the water

Cheers Chippa - Club Captain
