This is an important note about the Y.A. Cat 5 Forms and Insurance Documents.

There has been a great response from
skippers submitting these mandatory
documents, which are required by Yachting
Australia and SBSC for safety and accident
insurance reasons, during racing.

However, there are still many skippers who
have not yet complied as required for club
racing.

Skippers who have raced and not complied
have consequently forfeited race points,
something no one likes to do, so please
URGENTLY get your documents in to the
secretary at secretary@sbsc.net.au

Skippers Take Note:

The Skippers and crew meeting for Sunday
12th November has been cancelled and will
be rescheduled after Christmas.

Here is some really good news!

for a great racing club member in the
recent Melbourne to Stanley Race.
Congratulations to skipper Steve
Twentyman and crew of SBSC yacht
Shimmer, taking out a clean sweep win in
PHD, IRC and AMS.
Well done Steve.
