**NOTE:** Skippers rostered for tower duty are fulfilling their obligation to the club as part of the club's racing requirements. Rostered skippers receive points for this as detailed below.

This information is in the Keel Boat Sailing Instructions Item 28.2.

**ROSTERED DUTY & AVERAGE POINTS:**

a) Yachts rostered for duty on the SBSC roster shall be ineligible to enter for a race unless appropriate substitutions have been made prior to the race. Penalty of DNC shall apply.

b) Duty points will not be awarded if the race is not raced or abandoned. If no yacht completes the race, then it is deemed to be not raced and the duty points awarded will be equal to the number of boats competing in that race.

c) Skipper/Owner and the required number of additional crew, rostered for duty on a race day and who do not race, shall be awarded points equal to the average of the best five (5) scores awarded in that Series. If there have been less than five races sailed points equal to the average of the points awarded for all races in the Series shall be awarded.

d) Points equal to the average of the points awarded for all races in the Series, excluding points awarded for duty, shall be awarded to a nominated Skipper/Owner who misses a class race through participation in major events for that class (such as State or National Titles or a major event). The nominated Skipper/Owner shall apply in writing to the Sailing Committee before the event.

**If you are unable to meet your rostered requirement, please swap with another skipper and let Roy Aldrich know about the change so he can keep race management information up to date.
