- **Racing Information.**
- **Tower Roster Information.**

Last weekend we saw the running of the Sail Peninsula Regatta. It was a great success and thank you to all the skippers and crew who joined in the Regatta throughout the weekend. Friday evening there were 50 boats competing. On Saturday for the passage race we had 53 boats competing and on Sunday 45 boats completed the final race.

This broke all records for the Sail Peninsula Regatta with a total 148 boats racing over the three days. This also set records in the history of the club for the keel boat racing program. All results are available on the club website.
