AMS Update:

As advised via email, the correct date for the AMS Weigh in day is **Sunday 15th September**.

Apologies for any confusion.

If you would like to book a spot, please send an email to info@raceyachts.org

We have also received a question during the week with some concern that the format of the Friday Twilight Pursuit Series may be changing with the inclusion of AMS results.

We would like to confirm that there will be **NO CHANGE** to the format or running of the Friday Pursuit Races. To determine the AMS results we will simply be using the elapsed time information that will be extracted from the results produced.

The fine art of getting wet and becoming ill, while going nowhere slowly at great expense (equivalent to standing in a cold shower, fully clothed, throwing up, and tearing up \$100 bills, while a bunch of other people watch you).
